

## Free from Alcohol

Since May, 1906, Ayer's Sarsaparilla has been entirely free from alcohol. If you are in poor health, weak, pale, nervous, ask your doctor about taking this non-alcoholic tonic and alterative. If he has a better medicine, take his. Get the best always. This is our advice.

We publish our formulae. We banish alcohol from our medicine. We urge you to consult your doctor.

A sluggish liver means a coated tongue, a bad breath, and constipated bowels. The question is, "What is the best thing to do under such circumstances?" Ask your doctor if this is not a good answer: "Take laxative doses of Ayer's Pills."

Dear Sir: I read with much pleasure your account of another one of those successful picnics and am still regretting my inability to have been with you. I was sorry to see the boys lost their game, but its no disgrace to take the short end of a game like that.

We went 15 innings to win a 2 to 1 game and have won 20 games without a loss this season. My head clerk pitches for us and has turned down two offers to join the Western league.

We go to Ansel tomorrow forty miles by auto to play them a return game and will probably play to a record breaking crowd, as they are the team we went 15 innings to beat. Give my best regards to all the boys and hoping to see you this fall, I am yours very truly,

P. S. HOLZINGER.
